

South Dakota Retired Teachers Association

ALERT - ALERT - ALERT

Beginning March 1, 2010, the State of South Dakota will be participating in a Federal energy efficient appliance rebate program. The State will have \$738,391 to distribute to eligible applicants for the purchase of new appliances to replace less-efficient appliances. This will be done on first come, first served basis. The rebates will be handled by the State of South Dakota and will take 6 - 8 weeks to receive the rebate. The following information is provided so that you can get the details of the program.

Please visit this web site for specific details: <http://appliancerebate.sd.gov/>

Starting March 1, 2010, rebates will be available for the purchase of certain ENERGY STAR® qualified appliances that will replace existing appliances. The appliances and rebate levels are:

- [Clothes washers](#): \$100
- [Dishwashers](#): \$75
- [Refrigerators](#): \$150
- [Freezers](#): \$150
- [Water Heaters](#): \$125

The rebates will be available on a first come, first served basis subject to availability of the limited funds. The amount of rebate funds available will be regularly updated on this website.

Appliances purchased before the March 1 program start date are NOT eligible for rebate. Please read the [eligibility requirements](#) before making your purchase.

PLEASE HELP US GET THE WORD OUT TO SOUTH DAKOTANS. THANK YOU!
